

## **A new club is coming...The GHS eSports Club!**

This is an exciting opportunity for all students to engage in social gaming within our school community, making new friends and sharing our passions for games.

But wait, this is not just for “hardcore gamers.” We will be creating spaces to connect with all manners of social gaming, including mobile/phone games, modern console gaming, classic console gaming and PC/Mac/Linux gaming.

We will be launching a dedicated minecraft server for those who are interested and this will be available on almost ANY platform (we have already tested with Nintendo Switch, PS4, PC, Pocket Edition, and Xbox One).

We will have time to hang out and play your favourite games together using discord text/voice/video chat, as well as organizing planned tournaments and live events. This will be moderated to ensure safe and positive communications for all.

For those who might want to take things to the NEXT LEVEL, we also will explore options in joining competitive eSports with other schools across the continent with some even having possible cash/scholarship prizes.

The current plan is to start with Monday evenings after school but that may change depending on interest and availability of additional supervisors.

Check out our interest survey at the link below and send us your information so we can start organizing our first event nights! Hope to see you online :)

Mr. Farmer

## Code of conduct for discord:

**All members of the GHS eSports Club are expected to keep communications, voice or text, positive and school appropriate. Bullying of any kind will not be tolerated and will result in an immediate dismissal from our servers/events. Please refrain from sharing any pictures or links that would not be appropriate in a classroom setting as this club is an extension of our school expectations. Communications are logged and moderated to ensure a safe experience for all. Be kind and show good sportsmanship regardless of the outcome... "It's only a game" (thanks mom!)**

Rated M games will not be included in any school organized events. Content must be rated E or T as this is meant to be an inclusive school sanctioned club.
